

POWERFUL JESUS

YOUTH PROGRAMS

THIS is a challenge to **CHRISTIAN PARENTS!** Are you really ready for some serious THINKING with your good THINKER? OK, here we go with a power result of exactly what JESUS said and did in HIS life given for each person. He told us **“IT IS MORE BLESSED TO GIVE THAN TO RECEIVE”**.

That is directly how GOD made each parent and desires each parent to be. We grow inside our mom for about 9 months where she feeds us, cleans us, secures us, warms us by herself. Then she becomes the named GIVER OF LIFE ON OUR BIRTHDAY! After that hopefully both mom and dad share well in cleaning, feeding, providing, serving their children as JESUS would desire as HE stated in the NEW TESTAMENT.

There is much more we could insert here about parenting, yet most important is your own potential, hopefully **CHURCH YOUTH PROGRAM**. This program has proven super successful to be beneficial to youngsters.

The specific one we will delve into began over 30 years ago in a Rocky Mountain Church well over 8,000 feet above sea level. The success of those youngsters there is still now being proven as they raise their families **JESUS STYLE**. More on much of that later or you can just read many of the other free parenting articles supplied on the web site, PARENTINGGRAND.COM Nothing here is for sale as it is all FREE for you to use, JESUS STYLE.

TRANSITION, JESUS STYLE!

Parenting JESUS style is exactly the highest most profitable parenting dad and mom can accomplish. Yes, it requires much good communication with mom and dad, hopefully daily. This is the way the two can become one in each mind and soul of each of their children. JESUS, personally knows what is in each of our SOULS, regardless of what our brain told us to say.

Now we will transition to exactly profitable youth programs that are terrific investments. This actually serves super well in all churches. It is easy, inexpensive, youth love it. It is never limited as it is even kind of having limits only in your mind. These potential services can be in your own church, location, state or elsewhere even anywhere wear people congregate. All you need is good JESUS THINKING! Here is a simple few different idea.

Youngsters make cookies for seniors in your church.

Help youth make puppet shows for other children.

Serve in local soup kitchens.

Call a senior center asking what you can help with children involvement.

Organize a youth gathering social at your home. Have them make snacks, the devotion and music.

Desire a real MISSION TRIP INSTATE OR OUT? This can be fun rewarding plus you may observe dividends for years after the MISSION. This is easy, rewarding to the **MISIONARIES PLUS ANY AND ALL RECIPIENTS**. It is easy to set up, rewarding, plus beneficial to all involved. By all we even mean those in the church that are not even involved in the event. Many in your church will learn about it, be encouraged and you will never know about them, yet they will kind of brag about you to others. One church even had many supports them financially that could not go on the mission.

Many are concerned about finances. While serious this can be overcome with a good approach, then you are left to make good **CHRISTAIN INVESTMENTS**. When this is occurring wonders never cease. Actually, children learn how to invest time, talents, finances, **JESUS PRINCIPLES PLUS THEMSELVES INTO GIVING**. This in return places you into a good **INVESTMENT COUNSELOR FOR YOUR**

CHILDREN. In future years your dividends will keep increasing with the dividends they **SPIRITUALLY MAKE.** Can you handle all that? *As a parent you can profit by this thought. YOU ARE PARENTING THE PARENT OF YOUR FUTURE GRANDCHILDREN!* Hopefully, that encourages you to parent WISELY each day into your child's future.

LONG WEEK END POSSIBLE YOUTH PROGRAMS IN YOUR CHURCH PROGRAM. This is a super fun rewarding program inside of each participant. This works well with older adults plus any youngsters you yourself have the fine possibility to encourage. This has been proven with gigantic events even years after short missions accomplished. Need some easy fun answers that do not require endless financial concerns? Here we go with a few. Simply insert your thinking abilities now, then into the near future. You personally are good enough to create wonderful ideas, then begin to implement them into PROFITABLE SPIRITUAL DIVIDEND ASSETS INTO FUTURE PROFITS.

This simply needs your individual purpose to act like JESUS said when verbally said, **"IT IS MORE BLESSED TO GIVE THAN TO RECEIVE"**. When you as an individual giver, giving **JESUS STYLE** you have given gifts that will

continue into **ETERNITY**. That is a tremendous gift each **CHURCH MEMBER** can assist **JESUS STYLE** all within their own **CHURCH OF JESUS CHRIST**.

Please remember this well. You are the doctor that can fix the inside of your emotional personal self! Others can assist, but not do it! With **JESUS** techniques you can be the one individual to **PROFIT! NO ONE CAN CHANGE YOUR ATTITUDE BUT YOU. YOU ARE PERSONALLY IN CHARGE OF THAT! TAKE THE HIGH ROAD!**

PARENTAL
BEGINNINGS WITH
PARENTS!

GOD, created the very first parents called **ADAM AND EVE**. This was the super first beginning of men and women we know as human beings. HE created them as **OPPOSITES**, women and men. At times they are direct opposites as in sex and in visual appearance. Even many times in thoughts, feelings, expressions, communication procedures, desires, even in physical thoughts. This is

true even though at times they each can have the capacity to think, share, feel, plus participate in multiples of each of their spiritual desires within family goals. GOD gave each person the opportunity to communicate with sound words so they can share thoughts, feelings, ideas, and how GOD their creator desires them to be. So now they each have the possibility to use their given skills to communicate multiple times in any given day to share ideas and to agree on how to accomplish goals for the total family to please and honor GOD.

INDIVIDUAL THINKING ABILITIES YOU POSESS!

We are going to have some fun now, with that being allowed by you and I. It has lots to do with each of our

ability to think internally what is best for each of us which includes every member of you family. Be careful as that last sentence includes all your family members including those who are not born yet. That includes your grandchildren and great grand who may not be here on this earth yet. That is exactly how important you and your spouse are right now at this present time. Can you really think about that with the importance it is? You and your spouse are powerfully important in your family membership. Listed are a few of the topics we are going to discuss. These will be seeds to plant inside yourself so you can germinate them, feed them, cultivate them, raise them in good thinking sunshine, then when the time is right, they will produce a wonderful harvest for the two of you that became one in a prior time.

MASCULINE TIME

FEMININE TIME

SPIRITUAL TIME

FAMILY TIME

Each of these possess a special place inside of you and your family members.

SATAN IS **AFTER YOU**

DO NOT BE MISINFORMED. SATAN is after each and every member of you FAMILY! How does he really work and accomplish his goals? It is exactly this. Satan is at war 24/7 against GOD! Get use to that truth as it will never ever stop. He does not sleep, as he is at his work consistently, constantly, 24/7 on you plus all, I mean ALL of GOD's sons and daughters!

Satan, is unstoppable trying to get each person (even your younger children) to make decisions his way not GOD's

way. He dwells constantly inside each person's brain, plus he is trying to enter each person's SOUL. A person may say one thing using his brain to say what he thinks you desire to hear. In reality that may not be what he really thinks in that person's SOUL! GOD delivered to each person the ability to choose HIS way or a different way. That is called **"CHOICE! THAT EACH INDIVIDUAL PERSON HAS POSSESSION OF ALL BY THEMSELF"**.

EACH PARENT, should insert special individual attention to each family member of this special conflict between **GOD and Satan**. GOD made children to possess both a mom and dad. Both need to decide together on family traditions to best raise their total family the way **GOD** prefers, not by worldly standards. The world likes to do actions **Satan's** way with money, fancy worldly possessions, larger home, fancier autos, with everything being more expensive. Emotional spiritual satisfaction has no position in his world. He tries to convince you that you will be happier his way, not **GOD's** way. When you make an emotional decision to do life his way, it is then he leaves and you begin to feel disappointed.

Each parent has received the finest present from **GOD**. What exactly is that present? **He let them possess emotional pleasure with the two becoming one, then a**

child is created now they are three or more. Parents are the real GOD to each child until the child learns more in so called **ADULT CHILDHOOD AS EACH AGES IN THEIR YOUNGER YEARS.** Hopefully, the parents serving the child in their early years can teach the child, even before their 5th year this TRUTH. Mom and dad are there to be their provider with truth, how to do home chores, how to be pleasant, how mom and dad can care for them, provide warmth with security. They are with mom and dad because mom and dad created them, love them, desire to provide for their well-being. As time moves on may teaching, sharing, investing better healthy time with their children. When this is the action emotional powerful bonding begins, yet at the time neither may internally recognize what is totally happening. Yet, it does prove itself in the near future!

A WOMEN AND MAN
CAN BECOME
PARENTS,
BUT IT REQUIRES
SPECIAL PARENTS TO
BECOME GODLY
PARENTS!

GODLY, parents are the highest and finest any child can possess and obtain. It has direct possession of making permanent changes into everlasting SPIRITUAL ETERNITY, that lasts forever. In business this would be called an investment that has a dividend that delivers **ETERNAL PLEASURES THAT NEVER EVER END!** With that truth, is there anything that can be more profitable in parenting

children? *Yes, it does require good provisions, patience, service, yet there is no better return to parenting than to be in ETERNITY WITH YOUR CHILDREN WHO ARE BECOMING THE PARENTS OF YOUR GRANDCHILDREN!*

CAN YOU CONSIDER

A MOM AND DAD CAN
BECOME PARENTS BUT IT
TAKES SPECIAL DAD'S AND
MOMS TO BECOME GODLY
PARENTS!

PLACE that especially well inside of your internal SOUL so it arrives in your physical parental actions each day. **GOD** is 24/7 knowledgeable of each action us parents do. HE does not sleep as he is conscious of each of us parents even when each of us sleep. Insert that truth inside of your SOUL on a permanent 24/7 BASIS!

SOME OF YOUR CHURCH
MISSION POSSIBILITIES!

JESUS, provides each of our thinkers of powerful actions to do that have direct relations to **HIS DESIRES OF OUR PHYSICAL ACTIONS WITH ALL OTHERS!** We will visit

some thoughts yet it will be a tiny sliver compared to what you and your hardcore **CHRISTIAN FRIENDS** can arrive at. Yes, you plus others will be amazingly pleased when you begin to think together on how you all can please our CREATOR! Ok, we will begin with a simple few idea.

THINKING LOCAL, MISSIONS can begin right inside of your CHRISTIAN JESUS believing church. Visiting with your PASTOR, you can identify members who can use short visitations right inside their own home. Maybe seniors who are a little disabled in easy physical home chores. Youth love helping others and the others begin to brag about them (maybe they even provide them a cookie or two).

Have youth make a puppet show to show to retired seniors in a retirement home. Though simple the seniors will be emotionally inspired by the children. Have the children before the event make some cookies for the seniors to enjoy. That can be a real change in tradition! The seniors may never have enjoyed a gift like that. Here the adults in your group are really teaching their youngsters other pleasures unknown today!

FINANCES are not exempt, yet keep it inexpensive as possible. You are able to evaluate the return on dollars invested. The real dividends returned are how you affected both the givers and receivers. **As JESUS said, “IT IS MORE BLESSED TO GIVE THAN TO RECEIVE”**. The giving portion here is how you as a leader are serving both the children and the elders in the portion mentioned.

Your physical personal display of [JESUS](#) standards can way over exceed just talk in a speaking style. Talk is important but **ACTIONS SPEAK MUCH LOUDER THAN WORDS SPOKEN!** It even becomes a treasure to ask the givers what their feelings were a short time after the event. Remember to utilize your thinker well then you can receive **JESUS PLEASURES WELL – even with the others who served or the receivers.**

MOVING ON WITH OTHER **IDEAS!**

Now we continue with some larger mission thinking. Maybe a short distance or even long distances. Both have wonderful dividends to both give plus have a healthy return of pleasures. The return of pleasures is both

immediate, plus super long term after the mission has been done. With each true missionary you may have just affected each with permanent JESUS STYLE tendencies for that person's entire life. You possess the ability to view all of our articles on this website

PARENTINGGRAND.COM Take a good look and you will learn how many of the articles relate to Missionary youngsters have graduated into powerful Christian Parenting Adulthood. Many of their Parenting Styles could not even be thought of in the day they became a so-called MISSIONARY, even decades ago!

YOU, personally have that ability, today!

CALLING ALL PARENTS WITH
A GOOD THINKER! IS THAT
YOU?

HERE is another profitable, spiritual, teaching, excellent leadership, service-oriented program for all children, including yours! Can you handle that? I have a lot of questions inside of my self so please get use to that. I will try to listen to find out what is going on inside of your emotional empowerment side. That really requires

you to share some special information. Can you get good with that? Especially with your SPOUSE? I DID NOT HEAR YOU! Ok we will leave all that and move on with exactly what I would like you to consider.

It is EXACTLY THIS. WE, in this country possess many wonders not yet ventured into. What are all these about? It is service, exploration, investigation, education, teaching, plus wonderment with venture. Get ready for some more different ideas that will return dividends for a long time after the specific event takes place.

This is going to pleasantly require good planning, preparation style, publicly with each participant. Participants is best when kind of low in numbers like your children, their friends, or even others you do not know well. Organization is the real magic leadership quality, **JESUS STYLE**, that you can keep progressing upon, OK? We are about to visit options, cost, variations, possibilities, all with your own creativeness.

SPEED OF TRAVEL, need not be a real concern when you plan well. High milage by auto has lots of advantages that can be had. Participants can play social games, visit, nap, while being limited with electronic equipment. This

is a time to be invested with each other. Even telling stories of what life is like, or want to be, favorite vacations, or group singing, or sharing desires for the future or a good idea that leaders can arrive at. At times simply let the group be, for a few hours to do whatever. At fuel stops the driver gets to do what they want. Others fuel up, each person visits the restroom, windshields get cleaned and trash dumped plus snacks are obtained. Creative ideas are presented by good thinkers. At least three generations are best, at times maybe 4 generations or more. Each is a treasure for all to be with.

Committees are a great organizer to place all within. Advanced high schoolers or college age are good chair people. Let them learn leadership skills while elders are good committee tenders. If anything goes wrong, the mission leader only has to ask the chair person what happened. After listening to the explanation eyeball to eyeball with the chairperson she/he just says, **“OK, thank you, what are you going to do about it?”** Then after listening again say, **“THANK YOU, I WILL BE WATCHING”!** Youngsters, learning good leadership skills do not need to particularly receive negativity. When the main leader observes what can really be improved positive good

options are consistently available that serve well. Just recognize to the chair person a good short discussion keeping good JESUS THINKING, then politely, gently, pleasantly move on. Not only are you suggesting improvements correctly, you yourself are assisting the chairperson how they can become a terrific leader into the near future. JESUS desires for you to be on the increase in HIS SKILLFULL DIRECTION ALSO. We are to keep increasingly bring HONOR AND GLORY TO HIM!

CAN YOU STAY ON

HIS GOLDEN ROAD TO ***ETERNITY?***

CAN we visit shortly about ETERNITY? Life on this earth is super short when you try to compare it with life in HEAVEN. The real truth is you cannot compare the two together as there is no similarities as they are in direct contrast. SIMPLY get your thinker thinking with the ability it has.

LIFE, here is short, short, short, when you compare it with HEAVEN. Here maybe 80 years or more is a blessing. HEAVEN, is ETERNAL, that never ever has an ending! Which do you prefer? You yourself have a decision to make, HEAVEN OR hell! Each of us possess our own personal choice between the two. Our actions are the proof positive of each of our decisions. Yes, we can say one thing but **our physical actions speak louder than what we say**. GOD our CREATOR is aware 24/7 of each action we do! HE IS OUR ULTIMATE ONLY JUDGE!

IF A PARENT DESIRES THEIR
CHILD'S 1ST LOVE TO BE JESUS
THEY MUST MAKE JESUS
THERE
OWN FIRST LOVE BY ACTIONS!

The above statement is true if it is proven by PHYSICAL PARENTAL ACTIONS, not just by words. This is a difficult but totally true action to be instituted by both dad and mom! All of us hear words from all kinds of people that do not really do the action their words require. Can we visit a good real view of how to begin this life style?

1. PARENTAL LEADERSHIP WITH SOUND DOCTRINE, is needed on a continue constant daily basis. Parents created each child using a method GOD gave each of them to become one, then 3 or more. To each child a parent is GOD until in early age the child learns the

difference. As human beings we, are exposed to all kinds of Satan's devious concepts to confuse us into convictions his way is better than GOD's way. By SOUND DOCTRINE here we will call SOUND DOCTRINE DEFINITION as honest, truthful, healthy SPIRITUALLY CORRECT GOD'S WAY – not the worlds way. **The world worships money, not GOD!**

BY SOUND DOCTRINE, parents can immerse themselves into a healthy JESUS church, friendship circles, and good social activities. This also has a continuous merging, kind of powerful blending adhesive on family members. The BIBLE is the strongest, longest, reliable document known to man with the BEST TRUTHFUL SOUND DOCTRINE. If you desire JESUS to be their first love, you must make JESUS your first LOVE!

2. Continually make your JOY in JESUS, visible to each of your children, plus others. This is not a negative, but a super positive. This is not hard to do. A good smile on your face, serious communication that JESUS would engage in is the best!

This can be done at Home, work, socially, in the neighborhood, plus elsewhere you go. When you do this, it will become clear to you, plus those you become in

social contact with! Friendships will continue to grow in numbers, and challenges will begin to decrease yet not all. From time-to-time serious challenges will arrive yet you can also have victories over each of them.

3. Present the truth in different ways every day for the rest of your life. That alone becomes a treasure you will begin to look forward aggressively too. Spiritual gifts will begin to arrive. These may be arriving from each family member plus at service work, and in areas you never thought possible.

Little actions will arrive from even your spouse, children, neighbors you cannot think of today that are precious to you. Your children will begin to learn **JESUS** ways without even being taught verbal ally. This in itself is a real treasure to be ingrained in your real treasure chest. Your schedule is not, not to tight to live the truth to share with multiples of other people who need to hear from you. As more time moves on confidence will build in your inner self.

We have an adopted son of half a century in age. Coaching a high school with over 3000 students in soccer he did the girls in spring, the boys in fall. A year ago,

spring his girls won the Colorado State soccer championship. One of the rules he made up was this. When a girl desired to change her jersey on the field, he created had her teammates make a wall between her and him so they could not see each other! Also, he made up the 3-foot bubble he had around him. He could not reach out of it and they could not reach in it. That stopped the possibility of they or him touching each other. GOD DOES PROVIDE! This rule held until the girls won the COLORADO STATE CHAMPIONSHIP, then it was broken by all.

EVERYTHING DONE
GOD'S WAY CAN
BE A VICTORY!

**4. PARENTAL LOVE OF JESUS CAN
INSERT A BUBBLE IN YOUR WHOLE
FAMILY, NOW AND TO COME IN THE
FUTURE.**

YOU, can prepare, do, construct plus proudly do all this for your precious family. Parents are building their own personal LEGACY TO LEAVE THEIR FAMILY MEMBERS WHILE LIVING TODAY. As said you are parenting the parents of your grandchildren and super grandchildren for the ages to arrive after you are gone home from this earth to ETERNITY!
